## **Soo Line Historical and Technical Society 2024 Convention**

### ***Upper Peninsula Homecoming***

September 12-15, 2024 — Island Resort & Casino, Harris, Michigan

*Planning is complete for our long awaited return to the UP for some great railroad memories. We will kick things off Thursday evening with a Meet and Greet with hot and cold appetizers and cash bar prior to the presentations.*

*The all day field trip on Friday will include a tour of the E&LS car shops in Escanaba, the Delta County lighthouse and museum, and operating exhibits at the Antique Village. Our bus tour will take us to the rail facilities at the local paper mill property, the Gladstone CN yard and a picture event at the restored SOO 730 exhibit in Gladstone. Lunch will be at the Antique Village at the Little Red Caboose. Each attendee will have a \$12 voucher toward any purchase from their menu and we have indoor seating for your comfort.*

*Saturday's program will be held at the resort and include clinics, vendor sales, our annual business meeting and our convention banquet with the auction to benefit the SLH&TS Archives. Our banquet speaker is Steve Beranek of Gladstone. He spent 44 years in the Upper Peninsula in management positions working on the SOO, WCL, CN and Cleveland Cliffs (LS&I).*

*The spouse program agenda will include winery tours and tastings, a visit to a local art gallery and a stop at a local chocolate shop. There are minor fees at the wineries but transportation from the resort is included. Lunch will be at the resort with the rest of the attendees.*
