Yes, I want to JOIN the SLHTS!

Our goal is to preserve the rich history of the Soo Line, along with that of related roads, like the original Wisconsin Central, the Duluth, South Shore and Atlantic, Wisconsin & Northern and many others which became part of the Soo. We also cover selected aspects of contemporary operations, including U.S. operations of the Canadian Pacific and the Wisconsin Central Division of the Canadian National.

As a member of the SLHTS, you and your family will enjoy the fun and fellowship of our annual convention. It's a great chance to make new friends, tour railroad facilities, attend clinics, participate in slide and video shows, a railroadiana auction, model and photo clinics, and a banquet. Other exciting events await you as well. Four times each year you will receive *the SOO*, the society's official publication. Your entire family will enjoy this high-quality magazine that's filled with informative historic narratives, first-person and employee accounts, our popular all-color photo galleries, and the Modeler's Roundtable.
