

Return to LaRue

Soo Line Historical and Technical Society's 46th Annual Convention Agenda

The SLH&TS is pleased to host the 46th annual convention in Wisconsin Dells, WI. As the name suggests, on Friday we will be returning to the Mid Continent Railway Museum in North Freedom for a trip to the deserted iron mining town of LaRue. We will be spending the day at the museum for escorted tours of restored equipment and other sights. As an added treat, C&NW 1385 is on the grounds. Saturday includes historical and modeling clinics, photo and modeling roundtables, a swap meet, the annual business meeting, and the annual banquet and archives auction.

We have also negotiated a reduced fare to the Riverside & Great Northern Railroad on Sunday with guided tours. We welcome first time convention attendees and those who make it an annual event. We hope you enjoy the events this weekend.
